

Fact sheet Corona virus

To keep the risk of infection with the Corona virus as low as possible for our employees, we have taken various measures. These apply to visitors as well as external companies and suppliers at our sites.

We kindly ask you to observe the following instructions:

Please do not access the company, if you currently have cold, flu symptoms or symptoms that indicate a possible Covid infection.

Hygiene regulations

- Hand disinfection upon entering the establishment
- No hand shaking
- Observe a distance of at least 1.5 meters from each other
- If the distance is less than 1.5 m, wear a mouth/nose protection (OP or FFP2 mask)
- Open doors with your elbow if possible
- Sneeze and cough into the crook of your arm or into a handkerchief (dispose of immediately after single use in a closed waste garbage can)
- Regular and careful hand washing and disinfection

Thank you very much for your cooperation.
